## More about Meadowvale:

Meadowvale Secondary School is a community school with a strong history of excellence. The school's dedicated staff work towards the success of all students and are focused on preparing students for university, college and the workplace.

Meadowvale offers a non-semestered program for all grades. Staff feel that sustained effort over the course of the year enables students to acquire the appropriate knowledge and skills they need to succeed. The program builds strong relationships between teachers, students, parents/guardians and the community.

With over 60 extracurricular activities, there is something for everyone and staff encourage all students to get involved at all levels. Extracurricular involvement enriches the secondary school experience.

The school's Character Counts program encourages student engagement and staff commitment in order to foster leadership, good citizenship and to promote academics for all career paths.
