

# Looking to Volunteer?

## *Copernicus Lodge Foundation* *“Going Green Lottery”*

The Copernicus Lodge Foundation raises funds for Copernicus Lodge, a not-for-profit long term care home and seniors' residence. The Foundation is running a “Going Green” lottery. Since this is a ‘green’ lottery the prizes are all eco-friendly with the grand prize being a 2011 Chevrolet Cruze ECO.

We are looking for volunteers to help sell tickets at Credit Union branches in Mississauga on Thursdays and Fridays. Please call our office or email your name and information to [foundation@copernicuslodge.com](mailto:foundation@copernicuslodge.com)
