### More about Central Peel:

Central Peel Secondary School is proud of its dedicated and highly qualified staff and the variety of programs it offers which are aimed at maximizing student potential. Teachers are committed to meeting the needs of each student in a caring, equitable and understanding environment.

Central Peel participates in the Peel District School Board initiative of Character Education in every aspect of school community life. The school encourages respect for individuality and a positive self-image. Staff assist students in developing leadership skills that will maximize their potential as independent learners and thinkers as well as active citizens in the community.

Central Peel offers a Specialist High Skills Major (SHSM) Program in Business which allows students to customize their high school experiences to suit their interests and talents and receive the SHSM designation. In the program, students gain valuable industry certifications, participate in relevant work experience and prepare for a successful post-secondary transition.
