More about Humberview:

Located in Caledon, Humberview Secondary School is home to a regional enhanced learning program for gifted students, as well as a French Immersion program. The curriculum at Humberview offers a challenging and rewarding experience for students enthusiastic about realizing their full potential.

The collective efforts of teachers are focused on higher levels of achievement for all students. Staff are committed to helping students work to their full potential and find success. Students work with teachers to set goals and are encouraged to get extra help when they are experiencing difficulty.

Humberview's mission is to be an open community of learners building success together through education. Students are welcomed into an inclusive learning environment that is created by integrity, co-operation and respect.

Humberview will be hosting a Specialist High Skills Major Transportation program in the future.
