## Highlights:

- ❖ Strong School-to-Work program, which allows students to earn credits towards their OSSD while gaining valuable experience in a chosen field
- ❖ Hands-on, technical skills training in a number of fields including: auto body, auto service, baking, chef training, child care, construction, cosmetology, early childhood education, electrical, health care, horticulture, landscaping, multimedia applications, plumbing, restaurant, sewing/fashion, small engines, merchandising and woodworking
- ❖ On-site preschool that offers students hands-on child care experience

## More about Judith Nyman:

Judith Nyman Secondary School is a workplace destination school in Brampton. The school's mission is to prepare students to be productive citizens in society – whether it be through the world of work or further education.

Judith Nyman S.S. is ideal for students who enjoy hands-on, technical programming and for students interested in learning a trade, entering an apprenticeship or moving on to a technical program at the college level.

Judith Nyman S.S. offers a unique selection of applied, locally developed, workplace, college and open courses. Upon graduation, Judith Nyman students receive an Ontario Secondary School Diploma or Certificate, as well as a distinctive graduation portfolio, which lists specific skills the student has mastered as well as a work performance record. The graduation portfolio tells employers what they want to know, giving Judith Nyman graduates an edge when looking for employment.

Tours are offered at Judith Nyman every Thursday morning throughout the winter and spring. Tours can be arranged by calling the school's counselling department.
