More about Mississauga:

Mississauga Secondary School offers a full range of courses addressing the needs of all students, whether their destination is the workplace, an apprenticeship, college or university. The curriculum optimizes successful pathways to multiple destinations after secondary school. The variety of courses offered serves the diverse needs of all learners, supporting student retention until goals are realized.

Our staff is dedicated to student success and are part of a nurturing, caring learning environment. Staff focuses on the development of the whole student, supporting all students to realize their full potential as young adults.

Mississauga Secondary is a place where students want to be. They are engaged in their learning and want to come to school. A wide range of extracurricular activities are available and accessible to all students. Participation in extracurricular programs is encouraged.

The latest technology is made accessible for both students and teachers so that learning and teaching are enriched.

Character education is an important component in all of the courses taught and is embedded in the school's code of conduct. All staff and students are encouraged to embrace a culture of pride, respect and responsibility.
