- ❖ We are focused on promoting fairness, respect and inclusiveness
- ❖ Regional International Business and Technology program

More about North Park:

North Park Secondary School provides a safe, caring environment where students are challenged to achieve excellence with commitment, pride and respect. Staff and students work hard to promote community awareness, cultural acceptance, global awareness and equality.

The school strongly values cultural diversity. Its 1,350 students represent a wide variety of multicultural backgrounds. North Park's rich diversity is respected and celebrated. Students are encouraged and expected to respect each other, their community and the learning process.

North Park students are encouraged to participate in a variety of curricular and extracurricular activities including the Arts, Athletics, Student Government and cultural activities.
