- ❖ Hands-on, technical skills training in a number of fields including: auto, baking, business, chef training, child care, construction, cosmetology, hairstyling and aesthetics, hospitality, manufacturing, parenting, woodworking and landscape horticulture
- ❖ Co-operative Education program that provides work placements in the community where students can refine, expand, apply and practice skills they have begun to develop in their academic and technical courses
- ❖ New Applied Stream program for non-vocational students entering grade 9 who are interested in a skilled trade.
- ❖ Focus on experiential learning, including a discovering the workplace course for all grade 11 students and courses that lead to the Skills Portfolio and the Ontario Youth Apprenticeship Program

### More about West Credit:

West Credit Secondary School prepares students for the world of work, apprenticeships, trades and college programs. The school provides a focused learning environment for students and a dedicated and supportive staff. Students are required to take Co-operative Education as part of their program.

The school's goal is to challenge students to strive for excellence. Staff provide students with tools for successful life planning, enabling them to make positive contributions to their community and to college. In addition to a variety of locally-developed and modified applied courses, West Credit offers a full complement of workplace courses and the Applied Stream (starting with Grade 9 in September 2011) for students interested in pursuing a Skilled Trade.

## SPECIALIST HIGH SKILLS MAJOR (SHSM)

### HOSPITALITY AND TOURISM

In order to meet the high demand in the coming years for quality skilled workers in the Hospitality and Tourism Industry, West Credit is excited to offer this unique program. The Specialist High Skills Major (SHSM) at WCSS involves students completing a package of courses that meets the needs of all students with an interest in developing the skills necessary for a career in the Hospitality and Tourism Industry. The Hospitality and Tourism Industry acknowledges and supports the program through certification and appropriate industry placements. Students may be able to participate in a partnership with Humber College where they could earn 8 advance standing college credits.

In order to complete a SHSM in Hospitality and Tourism students:

1. Complete a package of 9 specific courses (see chart below).
2. Complete Industry Certification.
3. Obtain job experience (ex. co-op work experience, job shadowing, job twinning).
4. Document the industry essential skills using the Ontario Skills Passport.
5. Gain "Reach Ahead Experience" (ex. through an apprenticeship program or post secondary institution).

	Workplace		Apprenticeship		College
